

0322.1494 High performance module

M370-HC120-w U40b

Characteristics

**Glass-film / monocrystalline half-cut / 370 Wp / white / 40mm
U-frame black**

- Half-cut technology
- High performance stability and maximum efficiency
- Nano-finished solar glass with antireflective surface
- Optimized low-light performance
- Based on 100% silicon
- Full traceability of all raw materials
- Swiss development and warranty
